Sign Up Now for Head Start

It is never too early to sign up for a free program for pre-school age youth. The Head Start program coordinated in Milwaukee County by the Social Development Commission is now taking applications for youngsters who will be between the ages of three and five this fall for its sites located all across the county. SDC Head Start is a program that is designed to prepare preschoolers for kindergarten with a mix of academic and social skill preparation, health and dental screenings, and parental involvement. To learn more about signing up for the free Head Start program, call 414-906-2777 or visit the SDC website at www.cr-sdc.org, click on the “Programs” page and then the “Head Start” link.
