

On to Road to Higher Education

Ten youth who are involved in SDC's YFDP programs have taken to the road. They are taking part in the 2011 College Tour.

The young people are on their way to visit a number of universities so they can learn about what college life is like, what different universities are like, and how to apply to the schools. This year, the youth are visiting

Indiana University,
Ohio State, Michigan
and Notre Dame.

SDC youth settle in as the YFDP van prepares to depart on the 2011 College Tour.

The College Tour is an annual event that provides access to prestigious colleges for young people who might not otherwise get to be exposed to such schools. In past years, a number of the youth participating have

successfully applied to the schools on the tour

and go on to pursue a college degree. The YFDP College Tour is supported in part by fund raising efforts by the youth as well as financial support from the Social Development Foundation.
