

## Hinton SDC Brief - Monday, April 27

**To:** SDC Staff

**From:** Mr. Hinton

Good Afternoon SDC:

I hope this email finds you well.

We have several things to share.

1. In case you haven't heard, Ofelia Mondragon is returning to SDC to manage SDC's lead abatement program. This is great news. As you know, Ofelia ran this program several years ago and is one of the most knowledgeable people in the community when it comes to lead abatement and healthy homes.

Ofelia, welcome back home!

2. When you return to our North Avenue headquarters, you will see that Miko and Michelle (Human Resources) have relocated due to the upcoming construction on the North Avenue building. Their office is now located in Conference Room C on the administration side at North Avenue. This is temporary, expected to last for the next three months.

In addition, Sheila Sampton, Shyrida Lane and Diane Robinson will also relocate due to construction work.

3. In case you missed it, the Milwaukee Journal Sentinel ran a nice article highlighting SDC's late Commissioner George Matthews. You can read the article by clicking [here](#).
