

Hinton SDC Brief - Thursday, March 26

Good Afternoon SDC:

I hope this email finds you well and in good spirits.

Quick update.

Many of you are watching Congress as they work through legislation that will provide relief for millions of Americans during this unprecedented pandemic. We are seeking and reviewing information from the Department of Labor and other sources so we can determine how legislation will impact SDC employees.

I wanted to use this email to thank you for your patience and commitment to the community as we work together to figure this out. We hope to have information to share with you soon.

In the meantime, continue to take care of yourself.

Sincerely,

George Hinton
