

## Hinton SDC Brief - Tuesday, April 21

**To:** SDC Staff

**From:** Mr. Hinton

Good Afternoon SDC:

I want to make sure you understand that my door is always open. I am available and eager to hear any questions or concerns you have about our organization.

We're in uncharted territory.

Going forward our work will require us to be innovative. Your out-of-the-box thinking is welcome.

So where are we today?

In this email, I want to share some important news from Governor Evers' office. Right now, testing for COVID-19 is a major priority. To this end, the Governor recently announced the Badger Bounce Back plan.

The goal of the Badger Bounce Back plan is to decrease cases and deaths to a low level, and increase capacity in our healthcare system so the phased reopening of businesses is possible.

Information summarizing the Governor's plan is linked [here](#). This is important. And know that we will continue to share as much information as possible to keep you abreast of the latest developments impacting our community.

Stay safe.
