Policy Reports:

SDC Executive Support Manager gave a report on the progress of the Poverty Matters Summit – Statewide Edition. Ms. Fortson stressed the importance of commissioner presence at both the summit and the Legacy Dinner which was a high profile awards dinner and where SDC in partnership with Employ Milwaukee would announce a one-time scholarship being established in the name of the Late Don Sykes.

Ms. Fortson reported that the event would be high profile and noted that Mr. Sykes was once the CEO of The Social Development Commission.

It was reported that the Milwaukee County Head Start RFP would be released soon. There was discussion on SDC position in determining whether or not to pursue the grant. There were pros and cons discussed. Committee Chair Jordan asked that Mr. Hinton share his thoughts.

Mr. Hinton said, he didn't think it's where the people want SDC to be. He felt that the pursuit of the grant would take SDC off of target based on the data from the last community needs assessment.

He agreed that SDC should support the program but thought that it would be an opportunity for MPS in terms of capacity and coordination. Mr. Hinton said He felt strongly that SDC should work to build Daycare Centers in terms of quality businesses and quality educational expectations.

Old Business

Committee Chairperson Vi Anna Jordan asked about SDC efforts regarding voter education efforts. SDC CEO, George P. Hinton reported that he is pushing for SDC to do something with voter registration. He noted that he's been inviting local organizations whose focus is voter registration to host community information sessions.
