Official Sealed Bid# 02-2124 4698-ARPA Goldsberry

1). Intent and General Information:

The SDC Healthy Homes and Lead Abatement Department is requesting bids for Scope of Work Measures for the Lead Safe Homes and Lead Hazard Reduction Program in Milwaukee and Waukesha County. SDC manages the program which assists low- and moderate-income households by providing grants to address all the identified lead-based paint, dust and soil hazards to make their homes lead-safe.

The selected contractors must have the ability to demonstrate Experience (including licensure/certification), Submit Competitive Pricing, Safety, Quality of Work, Timeliness of Project Completion and meet compliance with all federal, state and local statutes, and regulations. All services provided shall be consistent with the requirement and guidelines of the HUD Office of Healthy Home and Lead Hazard Control and the State of Wisconsin Admin Code DHS 163.

2). Scope of Work Measures for SDC Healthy Homes and Lead Abatement:

The SDC Lead Abatement and Healthy Homes Department is seeking for Certified Lead Abatement Contractors to conduct Lead Abatement and Lead Hazard Reduction Scope of Work Measures.

Please review Attachment #4 to Review the Task Specifications and complete Attachment #3 the Scope of Work Measures Cost Sheet. Please review the Section of Bidding Instructions to ensure all the required information is submitted.

The Contractor shall receive a written Scope of Work from CR-SDC for each property that receives services. The Scope of Work will identify the Property Owner, the address of the property, the job number, and work specifications, along with special instructions when appropriate.

3). Contractor Requirements:

- a. Lead Abatement Company Certification for Wisconsin
- b. Lead Abatement Supervisor License (contractor must have a minimum of one lead abatement supervisor employee)
- c. Lead Abatement Workers License
- d. City of Milwaukee Home Improvement Contractors License
- e. State of Wisconsin Dwelling and Qualifier Contractor Certification
- f. Knowledge of Wis. Admin. Code § DHS 163 and HUD 2012 Guidelines;
- g. Quality craftsmanship with construction skilled trades;
- h. Financial stability to conduct work on LSHP lead hazard reduction projects;

- i. Disclosure and review of any DHS or local lead-related citation and/or enforcement action within the past one (1) year from the date of the cost-estimate submission to SDC;
- j. Provide, at minimum, one (1) year craftsmanship warranty on all work conducted for each awarded LSHP lead hazard reduction project from the day of passing clearance. Contractors must respond to customer warranty inquiries.
- k. Submit a copy of the submitted DHS Lead Abatement Notification Form (DHS Form F-44012) to notify DHS of each project from the selected lead company. DHS must receive the form two (2) business days prior to the project start date as required by Wis. Admin. Code § DHS 163.14.22
- l. Submit a copy completed DHS Occupant Protection Plan Checklist for Lead Abatement Activities Form (DHS Form F-00201) required by Wis. Admin. Code § DHS 163
- m. Obtain and submit a copy of any necessary approvals and permits from local municipal government related to the LSHP lead hazard reduction projects. (i.e. city of Milwaukee health department lead abatement permit)
- n. The Contractor shall furnish labor, materials, supplies, machinery and equipment to perform and complete in a satisfactory and professional manner all lead hazard reduction work according to the Contract Documents attached hereto and incorporated herein by reference and in accordance with all federal, state, and local codes. The Contractor shall obtain all permits and licenses and pay all fees, taxes, and other charges necessary for the completion and execution of the work to be performed in including passing clearance per HUD Guidelines and DHS-163 requirements.
- o. Complete the LSHP lead hazard reduction projects outlined in each project scope of work ensuring quality craftsmanship and adhering to the set project duration.

Project Duration Timeline:

For exterior and interior work: Upon issuance of the Notice to Proceed, Contractor shall promptly commence the Work and shall complete the Interior and Exterior Work including interior Clearance not later than the 10th business day after the date of issuance of the Notice to Proceed or any modified and agreed in writing modifications to the agreed completion date. (the "Agreed Completion Date"). If contractor is not able meet this timeline, it is up to the discretion of SDC to adjust the timeline with contractor or re-assign the project to a different contractor who is able to meet the required timeline.

Work Delays:

SDC will pay for relocation and the first attempt clearance testing. Contractors responding to this RFB understand and accept financial penalty if the project is

delayed or the first attempt clearance is not a PASS; all additional job delay cost shall be the responsibility of the contractor: including additional clearance re-wipe and customer relocation fees.

Job Property Access:

- a. Contractor will have property access to the job site from 8am to 5pm each day of the contract period. During family relocation, interior and exterior work must be completed within 10th business days this includes final cleaning and clearance testing. For units where the family is relocated including weekends, contractor has the opportunity to perform weekend work with a minimum of three business days notification and approval from SDC because of site monitoring requirements.

- p. Follow all federal, state, and local rules for occupant and worker safety, in particular as they relate to lead hazard reduction work practices, including the creation and storage of any records required by Wis. Admin. Code § DHS 163.

- q. Follow all state and local guidance for occupant and worker health and safety practices to prevent exposure to COVID-19 and its spread, or future epidemic or pandemic communicable diseases with DHS issued guidance as they arise.

- r. Respect the home of the property owner/occupant during the overall project duration by following the below listed guidelines.
 - a. No smoking on project worksite, both interior and exterior of the home.
 - b. Do not use interior bathroom for any personal usage. Mobilize construction portable toilets.
 - c. Do not use water from home sinks or tubs for any personal or project usage, such as cleaning of items. If any water usage is needed, obtain approval from SDC prior to the project start date.
 - d. Do not damage any personal items on project site. The developed pre-work and post-work walk-through procedure will outline any pre-conditions of the home and identify any issues. If any items are determined to be damaged by the selected lead company, it will be the responsibility of the selected lead company to cover and provide all costs related to the damage directly to the enrolled home.

4). Contractor Performance Requirements

a) Prime Contractor

The Prime Contractor shall be responsible for contract performance when subcontractors are used. When subcontractors are used, they shall abide by the terms and conditions of the contract and this RFB. If subcontractors are used, the Contractor shall clearly explain their participation and submit request for approval 30 days prior to using the subcontractor. SDC must provide prior approval before using any subcontractors.

b) Contract Term and Record Retention:

The Contract shall be in effect for a period of twelve (12) Months. The Contract may be renewed by mutual written consent.

Records shall be kept for a minimum of three (3) years from the last date of the documents were submitted to SDC. SDC has the right to review any documents during the required record retention.

10). General Conditions

CR-SDC is a non-profit intergovernmental agency and therefore is funded by the Federal/State Government and reserves the right to cancel due to lack of funding with a 30-day written notice. CR-SDC is exempt from payment of Wisconsin State taxes.

CR-SDC strives to work with all competitive vendors whenever possible, and reserves the right not to award the bid to the lowest bidder.

Once a vendor has been selected pursuant to the agency's competitive Bid process, an unsuccessful applicant or bidder may raise any question, challenge or appeal with respect to the selection process in the following manner:

1. Any complaint or challenge to the selection process must be communicated in writing to the individual or program that issued the Bid within five business days of the date that notice of selection/non-selection was received.
2. The individual or program responsible for the Bid shall provide a written response to the complainant within five business days of receipt of the written complaint.
3. If after the review of the response described in step 2, above, the complainant remains unsatisfied with the process, the complainant may file a grievance with the CEO.
4. The CR-SDC Executive Office shall provide a written response to the complainant within 10 business days of receipt of the written complaint.
5. If after the review of the response described in step 3, above, the complainant remains unsatisfied with the process, the complainant may file a grievance with the Executive Committee of the Board of Commissioners. The grievance must be in writing, must clearly set forth the grounds or basis for the grievance, and must be filed within five business days after receipt of the response described in step 3, above. The Chairperson of the Executive Committee will review the grievance and may convene the Executive

Committee to discuss the complaint. The Committee may consult with persons necessary to determine the following issues:

- (a) Did the selection process violate any policy or procedure of the agency?
- (b) Did the selection process violate any Federal, State, or local law?

The Chairperson shall communicate a written decision to the complainant within 30 calendar days of receiving the written grievance. The written decision of the Chairperson shall be final.

CR-SDC intends to use EBE (Small, Minority and Women) vendors whenever practical, in accordance with the agency's mission. The Purchasing Department will endeavor to bid to EBE whenever and wherever possible Bids can possibly be awarded to these vendors if they come within 5% of the lowest bidder and if the quality of the service or goods supplied is of at least equal quality compared to the other vendors. EBE vendors must be certified with the City of Milwaukee.
