Recently a staff member from the Department of Neighborhood Services inspected your property as part of the NIP program. Under this program, homeowners like you can receive help in bringing their homes into compliance with the building code. The following is a list of repairs identified by our inspectors.

**Please note: This is a maintenance program and NOT a remodeling program.**

In the future, a member of the community group who is working with you will contact you to review this list and discuss the repairs which they can make. Where possible they will try to repair items rather than replace them. By doing that we can keep our costs down and serve more people. If you have any questions about items on this list, please contact the inspector whose name and telephone number appear at the top of this letter.
